Things to know

- The Wellness Center will provide towels for those who choose to have a pool party. We will also provide plates, cups, forks, napkins, cake or giant cookie if you choose to add party treats to your package. You will need to bring a beverage to drink and candles for the cake.
- We ask you pay on the day of the party.
- Guests and responsible party are also asked to check in with the lifeguard on duty before getting into the water for those having a pool party. For children age 7 and under, the parent **MUST** remain in the pool area at all times while the children are swimming. For children over age 7, the parent does not need to be in the pool area, but **MUST** remain in the Wellness Center. We ask that an adult of the same sex as the party guests accompany the kids while in the locker room.
- Clean up after the party is your responsibility. To help you out, we will provide supplies. Please pick up any garbage and put tables and chairs back in place.
- If you would like to photograph or videotape the party, please see front desk staff for camera authorization.
